

The Mayor and Council met on Friday, March 15, 2018, 7:30 a.m. for a Special Called meeting at 4 Homer Street.

Present: Mayor Richard Presley, Councilmembers Kathleen Bush, Junior Hardy, Scott Harper, Richard Parr, City Administrator/City Clerk Barbara Thomas, Water Superintendent Aaron Patton, and Chip McGaughey from EMI.

Chip McGaughey, EMI Project Manager discussed Change Order # 2 which would require an additional \$74,888.70 for construction cost. This would be for the replacement of the old waterline on Highway 98 from Georgia Avenue to Chandler Cemetery Road. This would be an 8 inch 2,200 LF water line.

Mayor Presley stated that the other option would be to replace two, maybe three valves at a cost of \$16,500.00. When the new line is ran at a later date the valves would not be any good.

A motion was made by Councilmember Kathleen Bush, seconded by Councilmember Scott Harper to approve Change Order #2 for \$74,888.70 to run an 8 inch, 2,200 LF water line on Hwy 98 from Georgia Avenue to Chandler Cemetery Road and to be paid out of both Banks & Jackson SPLOST Funds. Motion carried.

Meeting adjourned at 8:02 a.m.
