

The Mayor and Council for the City of Maysville met on Thursday, March 28, 2019 at 4 Homer Street, 6:00 p.m...

Present: Mayor Richard Presley, Councilmembers Kathleen Bush, Junior Hardy, Richard Parr, and Scott Harper, City Administrator/City Clerk Barbara Thomas.

The Mayor opened up the meeting for Public Comment on the annexation and rezoning on the application of Kelly Stagner. Ms. Stagner would like to annex 9.707 acres of property on the back side of the Industrial Park and 53.158 Acres on Meeks Road. If this property is annexed it will become a part of the Industrial Park. She has requested a rezoning of ARR(county) to Industrial (city).

If annexed into the city Mr. John Rogers will be purchasing the property from Ms Stagner to divide up into lots and be similar to what is already in the Industrial Park. This will have to come back to the Planning Board for approval.

Mr. Rogers came forward and spoke briefly on his plans for the property. He stated that he did not want to put money in property that he would not be able to divide up and sell later.

There were no comments for or against the annexation and rezoning of the property.

Meeting adjourned at 6:27 p.m.
