

## Public Works Employee

### Overview

We are seeking a dedicated and skilled Public Works Employee to join our team full-time. This role requires a strong background in maintenance practices, equipment repair, and heavy equipment operation. This person will play a crucial role in maintaining safety standards and ensuring the efficiency of our operations.

### Responsibilities

- Install, repair and replace hard to read water meters. Maintain lid, boxes and water meters.
- Responsible for meter reading once a month.
- Responsible for detainees, and community service workers.
- Willing to work 2 hours every other weekend (Saturday and Sunday) reading the wells.
- Be on call in case of major water break.
- Be able to perform preventive maintenance.
- Suggests to the city and council areas of concerns or improvement needed.
- Participate in training and workshops.
- Build and maintain strong relationships with team members to foster a collaborative work environment.

### Qualifications

- Strong analytical skills with the ability to diagnose problems effectively.
- Ability to perform heavy lifting and operate heavy machinery safely.
- Excellent problem-solving skills and attention to detail are essential for success in this role.
- Strong communication skills and the ability to work well within a team setting.

If you are passionate about maintenance work and possess the necessary skills, we encourage you to apply for this exciting opportunity!
